# An Ghaeilge - Is leatsa í.

Chun do ghaol leis an nGaeilge a neartú, tar chuig Coláiste an Phiarsaigh

Fáilte mhór romhat chuig Coláiste an Phiarsaigh, where our ethos is to offer a broad, well-rounded education, and help every student reach their full potential.

The Irish language is at the heart of everything we do and the school nurtures both a pride and a love of the language and Irish culture, something we've been doing since the founding of the school by Gaelachas Teoranta almost 50 years ago.

We instill our core values of acceptance, respect and comradeship in our school community, that makes it an open, safe and welcoming place for all our students.

## Ráiteas Misin
