An Ghaeilge - Is leatsa í.

Chun do ghaol leis an nGaeilge a neartú,
tar chuig Coláiste an Phiarsaigh

Fáilte mhór romhat chuig Choláiste an
Phiarsaigh, where our ethos is to offer a broad,
well-rounded education and help every student
reach their full potential.

The Irish language is at the heart of everything
we do and the school nurtures both a pride and
a love of the language and Irish culture,
something we've been doing since the founding
of the school by Gaedhealachas Teoranta
almost 50 years ago.

We instill our core values of acceptance, respect
and comradship in our school community, that
makes it open, safe and welcoming for all our
students.

Ráiteas Misean

Chun forbairt phearsanta, shóisialta,
oideachasúil agus ghairmiúil an dalta a
chur chun cinn agus chun iad a ullmhú
mar bhaill neamhspleácha, freagracha,
rannpháirteacha sa tsochaí.
